REQUEST FOR REVIEW OF PATENT TERM ADJUSTMENT

Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

Sir:

It has recently come to our attention that there may be an error in the patent term adjustment calculated by the U.S. Patent and Trademark Office for the above-referenced patent application. The patent term adjustment pursuant to 35 U.S.C. 154(b) of 1290 days indicated on the Issue Notification may extend the term of this patent by too many days. Applicant therefore requests recalculation of the patent term adjustment.

This is the second request for recalculation of the patent term adjustment. Applicant filed the first request on June 4, 2010, a copy of which is attached to this request.

Please review the calculation of the patent term adjustment and make corrections, if necessary.

Respectfully submitted,

Tadashi Horie
Registration No. 40,437
